This show attracts tons of local and not-so-local Pontiacs in every condition between barely rolling and pristine concourse. Pypes Exhaust is hosting a Muscle Car & Truck Cruise-in for muscle cars and trucks from all years, makes and models. Expect to see a range of vehicles, from custom hot rods to the latest performance cars and trucks. And starting this year, American Muscle is hosting a Mustang cruise-in for all you Mustang owners and lovers out there.

Enter your car or just come out to watch. In addition to the car shows, you will be able to browse our showroom, tour our facility, quiz our technical staff, get special discounts on PY and Pypes products, enjoy local food and talk cars & trucks all day long. There will be plenty to see and do.

## FRIDAY CRUISE-IN:

Performance Years and Pypes Exhaust would like to invite all of our customers and friends to congregate at our headquarters on Friday afternoon between noon and 6:00pm. We'd like to show some hospitality to the people who make our companies successful and our jobs a complete joy. We encourage everyone to mingle, talk cars, share some stories, share some laughs and have a good time.

## FRIDAY NIGHT CRUISE:

On Friday night, we invite everyone to join us on a short cruise down main street in Lansdale to Bones Grille & Osaka Japanese Hibachi. We expect this casual cruise to start around 6:30pm, details will be provided at the event. We hope this cruise will allow us to meet and hang-out with many of the customers we don't often get to interact with. Plus, to allow our customers to meet each other, share knowledge and show-off your rides.

## SATURDAY EVENING LANSDALE CAR SHOW:

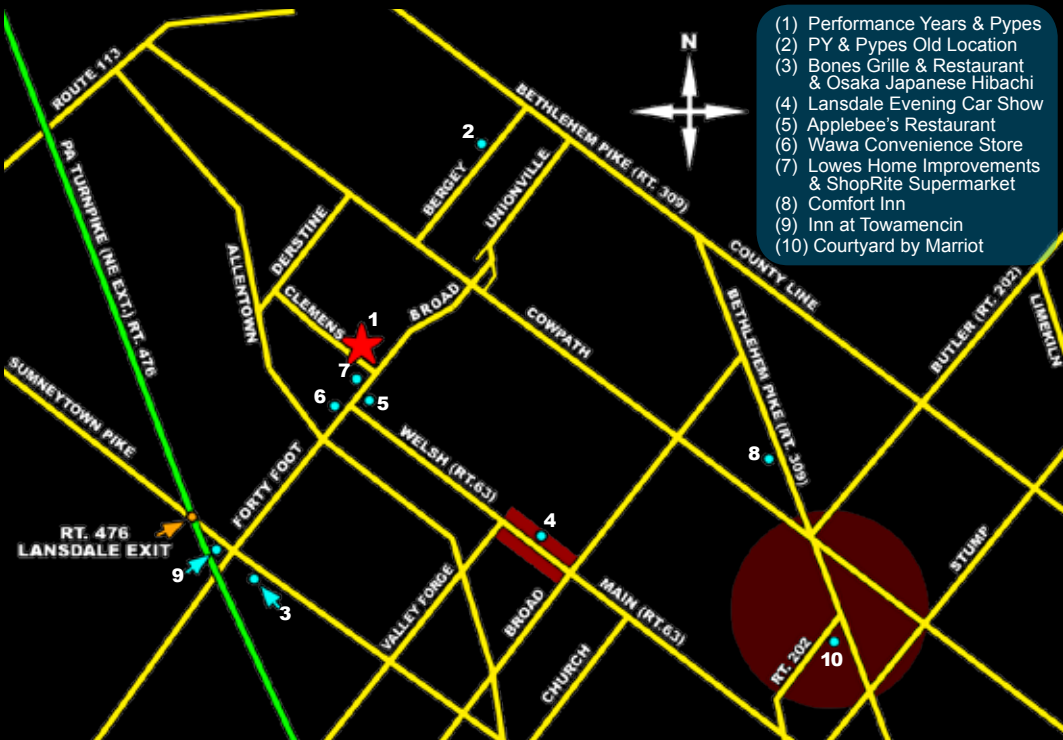

This great event, sponsored by the Fairmount Fire Company, has been a local tradition for the last 22 years. This late evening car show takes place under the antique lights that line Lansdale's historic Main Street (Rt. 63). Hundreds of cars and hundreds more spectators gather to show and talk cars ranging from antique to modern.

## LOCAL HOTELS & ATTRACTION:

There are a number of hotels and other attractions in our area. Please visit us online for more details about local hotels and other attractions you might be interested in.

## SUNDAY PONTIACS AT THE GROVE:

On Sunday, everyone's attention moves to Maple Grove Raceway (about 1 hour from PY's headquarters) for an all day, all Pontiac Race Day. In addition to the quarter mile excitement, there is an all Pontiac car show and swap meet planned. You can come to race, come to watch, come to browse or come to shop. Whatever your pleasure, you won't want to miss this.
